

# -GENESIS-

## Riser Rated Security & Control Cable

# Part Number: 2115

## 18 AWG 4 Stranded Conductors

|                  |                                          |
|------------------|------------------------------------------|
| <b>Ratings</b>   | CMR, CL3R, FPLR, FT4, Sunlight Resistant |
| <b>Approvals</b> | ETL Listed                               |

## Construction

|                   |                                                                                                                                                         |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Conductor         | 18 AWG 19 Strand Bare Copper                                                                                                                            |
| Conductor Count   | 4                                                                                                                                                       |
| Insulation        | Polypropylene (0.006" nom.)                                                                                                                             |
| Insulation Colors | Black, Red, White, Green                                                                                                                                |
| Lay Length        | 24" nom.                                                                                                                                                |
| Shielding         | N/A                                                                                                                                                     |
| Rip Cord          | Yes                                                                                                                                                     |
| Jacket            | PVC (0.017" nom.)                                                                                                                                       |
| Overall Diameter  | 0.177" nom.                                                                                                                                             |

## Properties

|                   |                                           |
|-------------------|-------------------------------------------|
| Operating Voltage | 300 Volts max.                            |
| DC Resistance     | 6.66 Ohms/1000' at 20°C                   |
| Capacitance       | 22.7 pF/ft. nom.                          |
| Impedance         | 67 Ohms nom.                              |
| Temperature       | -20°C to 75°C                             |
| Flame Rating      | UL 1666 (Riser); CSA C22.2 No. 2556 (FT4) |
| RoHS Compliant    | Yes                                       |
| Country of Origin | USA                                       |
